

Sports Contribution - \$140

In order to run a successful x-country program, it is requested that each athlete pay their sports contribution.

What it pays for:

- Coaching stipends
- Invitationals (7 on the schedule for this season)
- Training supplies
- Meet supplies & snacks
- Gatorade
- Pizza nights
- Senior scholarships

This is **NOT** the same as the transportation contribution (\$130) that is paid when you do the on-line athletic clearance. That contribution is solely for transportation (i.e. buses) to/from the meets. This sports contribution (\$140) is for all other expenses associated with x-country.

Please submit payments in to Coach Tokuda or Coach Rick **asap!**
